

THE WHOLE WORLD MOBILIZING GO FORWARD!

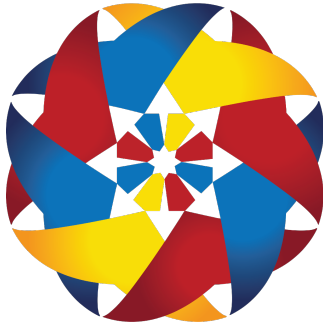

THE WHOLE WORLD MOBILIZING PROMOTIONAL VIDEO

Note of explanation to the leader of the meeting concerning the *Whole World Mobilizing* promotional video:

The Whole World Mobilizing: Go Forward! is a challenged issued by the General of The Salvation Army to enlist every territory, region and command around the world to go out and fulfill Jesus' Great Commission to "Go into all the world and preach the good news to everyone." (Mark 16:15, NIRV)

This two minute promotional video was created specifically for a family camp audience but could be used in the local corps. It highlights two key pieces of information.

1. Starting on January 1, 2017, all Salvationists will be encouraged to march around the world. With every corps, division, command and territory in The Army world participating, it is hoped that many thousands of miles will be marched for Jesus. GPS technology will be supplied to every territory to track the progress of the march and it is expected that collectively, The Salvation Army will march over 24,000 miles (the circumference of the earth), making it the largest March of Witness in the history of The Salvation Army.
2. Coupled with the marches that will take place at the local, corps, divisional, command and territorial levels, 2017 will be a focused time for all Salvationists to intentionally engage in acts of service, evangelism, and public witness to the people in their communities.

THE WHOLE WORLD MOBILIZING GO FORWARD!

Every Salvationist can take part in *The Whole World Mobilizing* campaign. This promotional video is designed to get people excited about this initiative and the great impact it can have on their community and corps.

Following the narration in the video, the presentation concludes with a fun, sing-along chorus of “God’s Soldier” (SASB 954), giving viewers an opportunity to affirm their support for the coming campaign by singing together.

We’re going to turn the world upside down.*
