## **THE WHOLE WORLD MOBILIZING PROMOTIONAL VIDEO SCRIPT**

Following the 2015 international [Boundless] congress, The General has now issued a challenge to the entire Salvation Army world to be mobilized in mission.

The Whole World Mobilizing is a campaign that enlists every Salvationist around the globe to GO FORWARD in mission.

At the center of this great campaign is a mobilizing march - a united and intentional effort to share the gospel in every community the flag flies. The mobilizing march is a worldwide challenge issued to the global Salvation Army to collectively march around the world in one year. That's right, a March of Witness with The Salvation Army flag, GPS equipped, over twenty-four thousand miles long!

But whether you march one mile, or ten, the General challenges you to make twenty-seventeen a year of evangelism and witness, getting outside your corps building and into your community. Through acts of service, open airs and special events; let your community know that The Salvation Army is present and active. Share the love of Jesus Christ and let people know that He desires to be in relationship with them.

Get ready to mobilize your territory, your command, your division, your ARC, your corps, your family, and yourself, for this historic worldwide march. Go Forward with Jesus, and turn the world upside down!

*We're going to fill, fill, fill the world with glory;  
We're going to smile, smile, smile and not frown;  
We're going to sing, sing, sing the Gospel story;  
We're going to turn the world upside down.*
